

PEHLI NAZAR

Pehli soch

Patte patjhad ki gir Rahi

Na hava kahi beh rhi

Fir bhi anjaan si pehchan teri

Mujse hai kuch keh rahi

Bula rhi hai paas tere

Ya doori ki hi chahat hai

Keh du pehli nazar mein pyaar

Ya meri soch pe lalat hai

Lalat hogi agar ye hai ishara

Aur na zuban kuch keh pae

Aur galti hogi agar itefaq hai ye

Aur hum kuch aur hi keh jae

Kher badha deta hu kadam

Ittefaq kabhi aur mana lu

Ya to hai ek kisse ki shuruaat

Ya bas ek yaar Bana lu

Ye pyaar nahi

Mein hu is jahan mein vajah vo hai

Fir bhi anjaan be vajah vo hai

Khair, Naam to muje bhi nahi pata uska

Par is rishte mein yaaro maza vo hai

Rishta kyu keh rha hu

Shayad ek tarfa mein seh rha hu

Ya fir vo bhi phasi hai us bahav mein

Jis bahav mein mein beh rha hu

Na beh nahi rha mein kahi

Pyaar thodi karta hu

Bas dikh gai thi koi rah mein

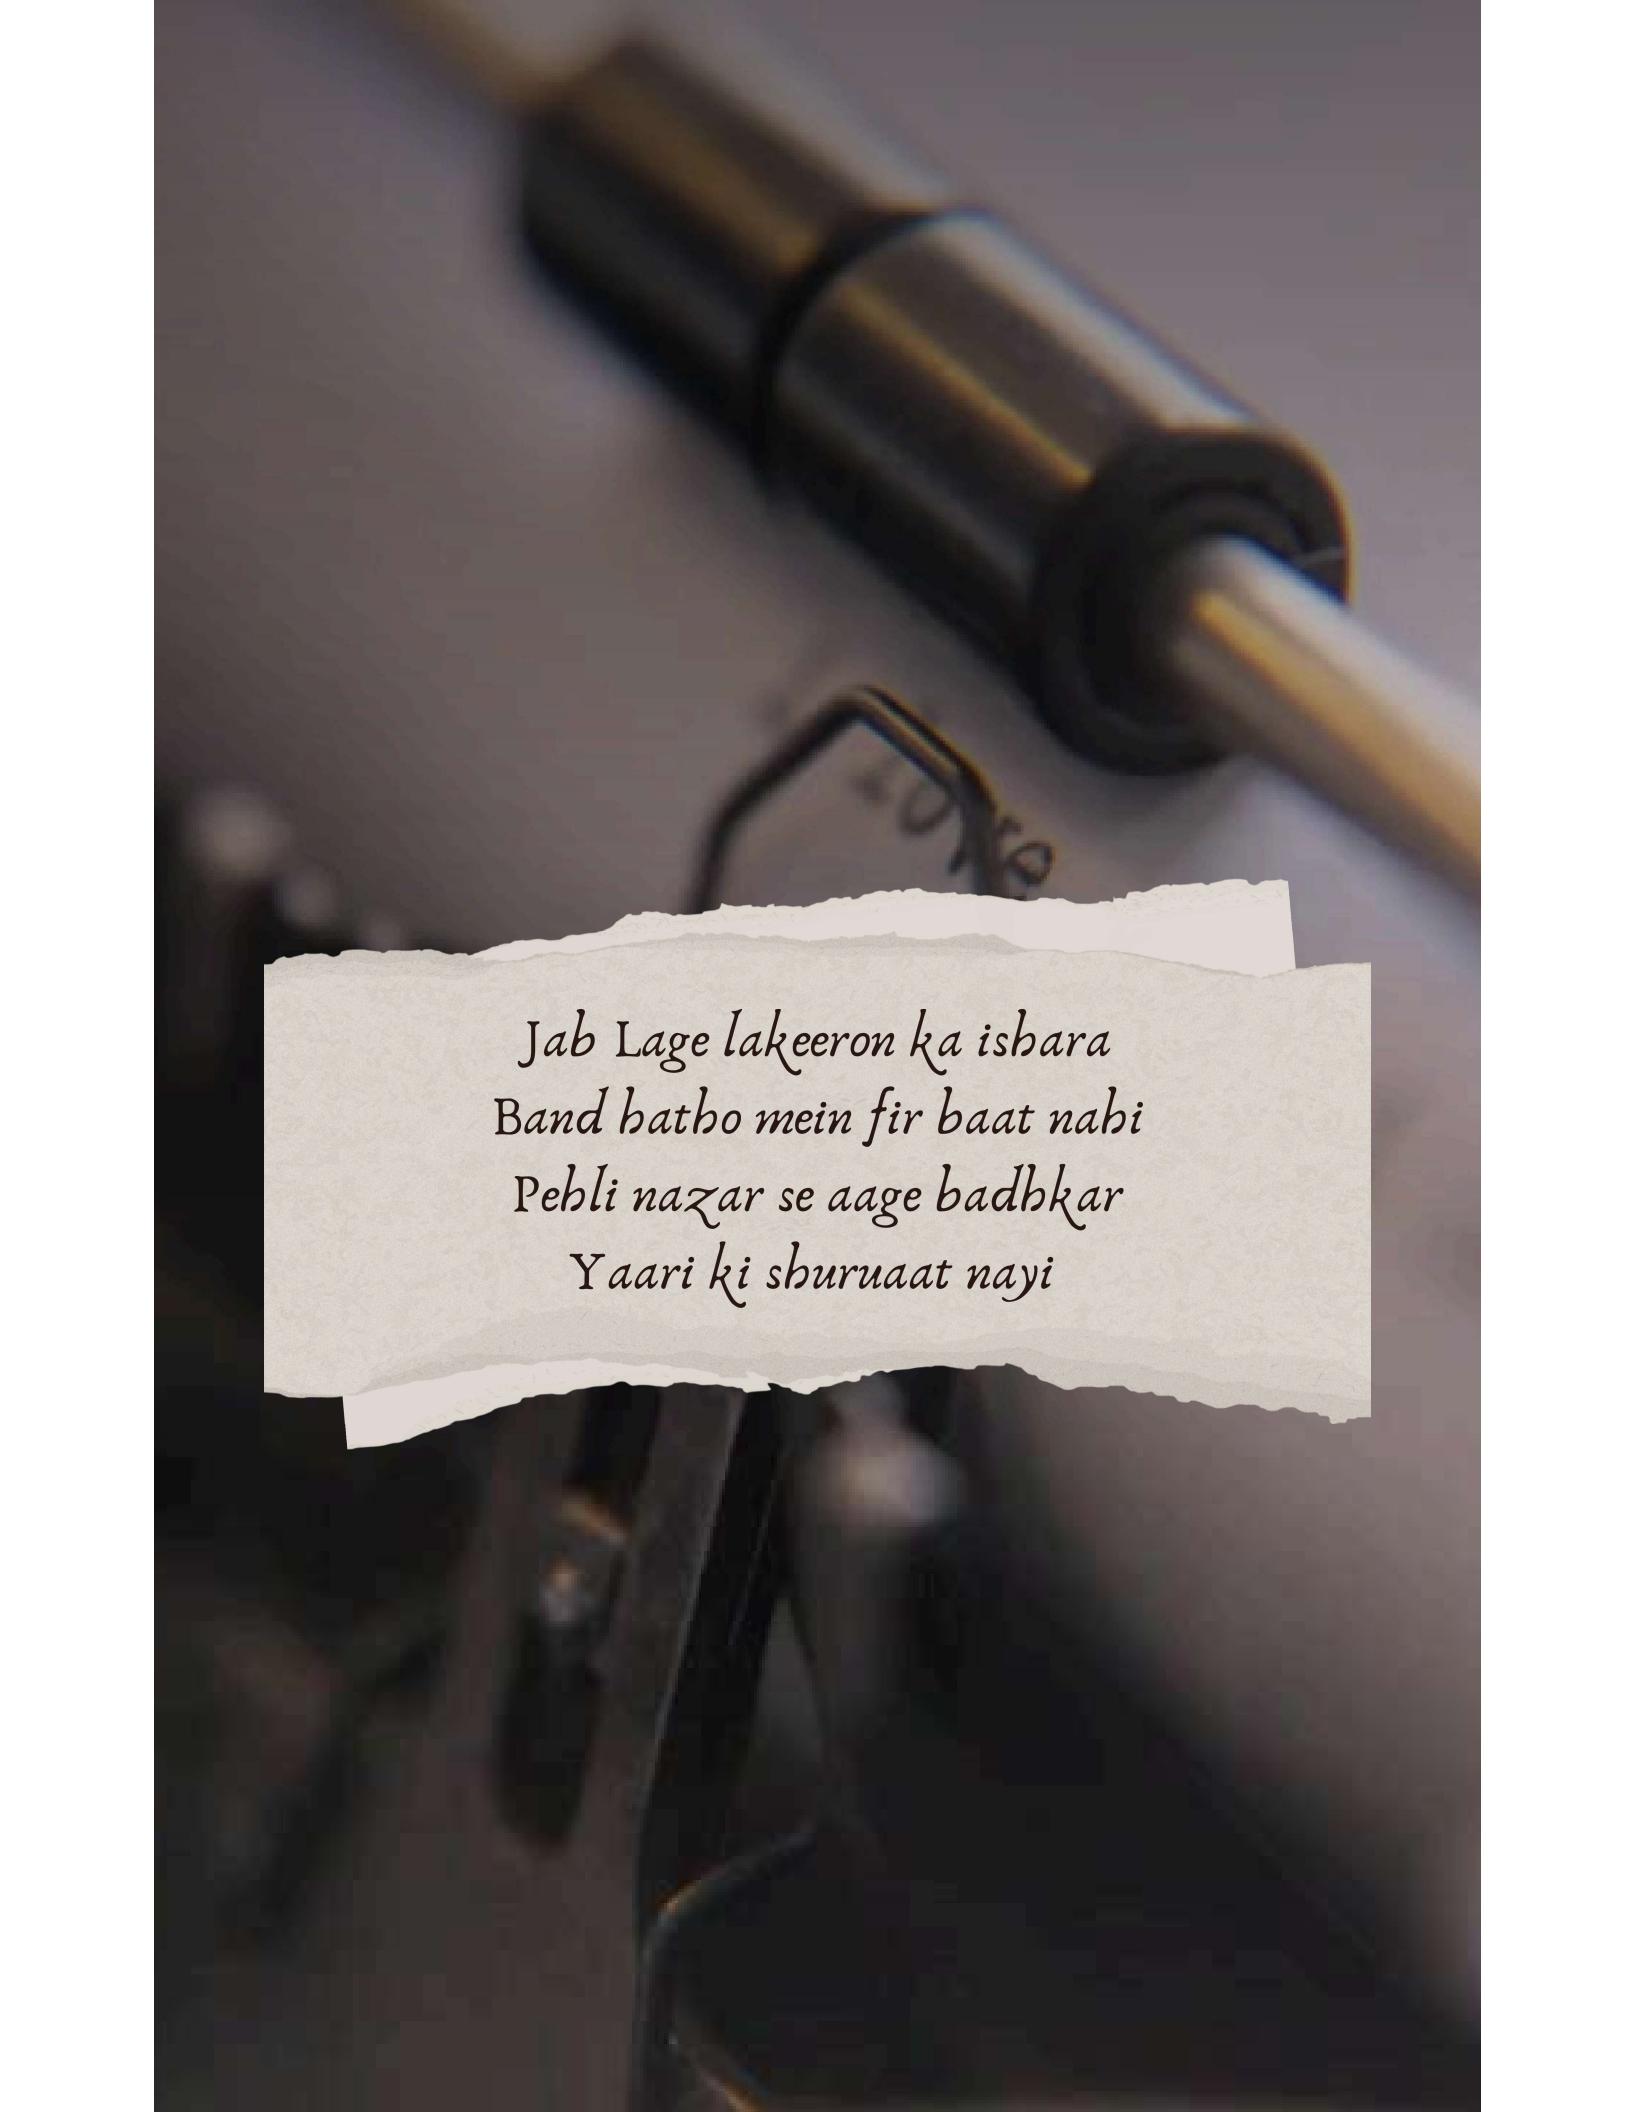

Arre vahi jispe mein marta hu

Rishta hai ya paheli hai

Koi ise suljhado yaar

Ishq kya aur yaari kya

Thoda muje samjhado yaar

Jab Lage lakeeron ka ishara
Band batho mein fir baat nahi
Pehli nazar se aage badhkar
Yaari ki shuruaat nayi
