

# AAG KA DARIYA

# HAQEEQAT

Phoolo ka bageecha dikhe jo  
Kise pata samshan hogा  
Imandari se ishq karna  
Kisne kaha aasan hogा

Mushkil hai janab jannat pana  
Pehle darvaje tak poch ke dekho  
Jab man mein andekha gussa ho  
Fir bhi usme pyaar khoj ke dekho

Mushkil hai vo ladai mitana  
Jiska karak abhi tak dafna nahi  
Kabhi duniya ki nazar hoti hai jaaro  
Yaha apna bhi apna nahi

In ladaiyo ki oochi avaz mein  
Jo dil ki dhadkan sun nahi sakte  
Vo ranjha heer laila majnu  
Shiv parvati ban nahi sakte

# *Mana lunga*

*Ye ishq Tera hai kamai meri  
Bharne pade chahe kishte aaj  
Mangunga mafi chahe teri ya meri  
Bachaunga apne rishte aaj*

*Galti na manane ki  
Jhoote log kamane ki  
Hum dono lad pade shayad  
Vajah thi zamane ki*

*Ghutno pe izhar kia tha meine  
Aaj fir ghutno pe aata hu  
Is baar dono ghutne neeche  
Aur hath jod manata hu*

*Maan ja na is aasoo ko  
Kyu ye rishta todna hai  
Jeene ka vada dilo ka  
Kyu dhadakna chodna hai*

“

Guzarke thande koylo se  
Kaato se phool chune hai  
Agni Pariksha se agne phere tak  
Misaale sabne sune hai

---
